Underwater Housing for Panasonic LX5

Made of aluminum, it is a sturdy choice for the LX5 camera. For those who favor small cameras, it is the ideal housing to suit their needs.

It is equipped with full-function control buttons. The Acrylic back cover allows taking pictures and checking on the camera much easier. Its key hole lock design provides ease of use and added security to prevent from leaking. Now you can use small cameras with the feeling and function of professional camera housings.
